Notes:

Covid protocols to be finalized in February, but requirements are likely to include vaccination; pre-arrival testing and/or testing upon arrival are also under consideration. Full refunds will be made to registrants that do not meet final protocol requirements.

Lunch is included with the workshop fee. Please tell us about any dietary restrictions.

While we will do our best to keep food items separate, we cannot guarantee that your lunch will be completely wheat, soy, nut, or other allergen-free. If your allergy is life-threatening, please contact Susan Shaw and we will work something out.

Class Levels:

We offer two levels of dancing for classes. The effectiveness of visiting workshop teachers is often hampered when the ability of dancers in a class is less than expected for that class. As a courtesy to the workshop teacher and fellow dancers, please consider your level of dancing when comparing it with the descriptions below. If you are not sure, please ask your regular teacher.

Level 1:

This level is for the less experienced dancer or those who enjoy dancing at a less challenging level, or those considering teaching. Dancers should be able to dance a basic dance after walking through from each position.

Level 2:

For the more experienced dancer who has been dancing and attending classes regularly for at least two years and

- has attended at least one previous RSCDS workshop
- has a working knowledge of ALL basic steps and common figures
- is learning more advanced figures
- is able to dance a new dance with common figures competently after only one walk-through
- can correct own errors by the beginning of the next phrase.
